

KEFAX LTD

Quality Technical Training For The Power Industry

Summer 2016

KeFax News

Welcome to our Summer news letter. We have been monitoring our customer requests very closely recently, to do our best to cater to their every need. As we care highly for our customers and their experiences with us at keFax, we have been reviewing all feedback from our courses. We are extremely happy to say that the deliverance of our training courses are spoken highly of. We are currently building stronger relationships with our clients due to our success in meeting their needs and expectations.

Celebrating 22 years!

We are delighted to say that it is coming up to our 22nd anniversary here at KeFax and we would like to thank each and every one of you for your on going support. You are very important to us therefore we are going to continue working hard to give you the best possible experience when we deliver our courses to you.
